Pretty Busy next Wednesday. I will be there for as long as I can. Probably have to leave about noon.

Doug – I have to apologize – In talking with Brent this AM and running down who all was attending our scoping meeting next week – I realized that you weren't on the list – BIG oversight on my part. I hope you can make it??? Please give me a call. Thanks.

Subject: "Global" RI/FS Scoping Meeting for Upper Animas

When: Wednesday, January 21, 2015 8:30 AM-2:30 PM (UTC-07:00) Mountain Time (US & Canada).

Where: EPA - Rocky Mountain Room

We have a date for the "global" RI/FS scoping meeting for the Upper Animas River Watershed. It was hard to find a date that most people could attend. I guess January is busy for a lot of people. I've scheduled time in the AM as well as the PM with a break for lunch as I wanted to be sure that we would have sufficient time to discuss everything. We'll see how it goes.

An agenda will be sent out later but in the meantime, please allow some time to take a look at the Use Attainability Analysis that ARSG did 15+ years ago – primarily Chapter 10 and its appendices. Let me know if you need a copy.

Please respond if you can make the meeting. In the meantime, have Happy Holidays. I will be out from Dec. 19 – Jan. 5th.
